## Truman Asks Price Control Housing And Civil Rights

### Congress Coldly Accepts Program Offered

Washington, July 27—(AP)—President Truman's address to the special session of the 80th Congress touched off a nationwide storm of jeers and cheers tonight.

Backing the president were many Democrats and many labor heads. Critical were most Republicans, Wall Street and business, and a few rebel Dixiecrats.

At the center of the storm were the president's proposals for cost of living controls, his housing program, and civil rights.

Prices came first in Mr. Truman's appeal to congress. Housing came second. He said the need for low-rent homes is desperate. He urged the House to pass the Taft-Elliender-Wagner long-range housing bill already adopted by the Senate.

GOP leaders turned him down on that, too. They said a long-range program "cannot be dealt with at this special session." But they promised "further consideration" of the housing program and said "much already has been done" by the 80th Congress to solve it.

**Republicans Answer**  
The Republicans' answer to the president in general: "Serious legislative problems cannot be satisfactorily handled in the midst of a political campaign."

It's up to the voters, the state said, to decide between them in November.

Today's tempest of charges and counter-charges began with the president's speech at 11:30 a.m. (EST).

In crisp, one-two-three order Mr. Truman outlined exactly what he thinks congress should do—first action on the Taft-Elliender-Wagner housing bill, already passed by the Senate, and do these things to curb prices:

1—Restore the wartime excess profits tax.

2—Restore installment buying curbs.

3—Tighten up on "inflationary bank credit" through the Federal Reserve Board.

4—Regulate speculation on commodity exchanges.

5—Permit allocation and inventory control of certain scarce commodities.

6—Strengthen rent controls.

7—Give "standby authority to ration those few products in short supply which vitally affect the health and welfare of our people."

This authority, he added, "might not have to be used."

8—Authorize price control for "scarce commodities which basically affect essential industrial production or the cost of living."

He said the government should limit wage increases only when they "would force a break in the price ceiling."

**Told Congress 8 Months Ago**  
Mr. Truman said all this was a "revised and strengthened" version of the 10-point price program he laid before congress eight months ago.

"But that program was not enacted," he said sharply. "If it had been enacted, we would have lower prices today."

Democrats applauded again. Republicans, pointedly, didn't.

Finally, Mr. Truman listed a number of laws he'd like congress to enact at this session if there is time, or early in the 81st congress if there isn't.

Mr. Truman devoted only 113 words of his message today to civil rights, but those words stung the southerners like so many buckshot. They were:

"Finally, I wish again to urge upon the congress the measure I recommended last February to protect and extend basic civil rights of citizenship and human liberty. A number of bills to carry out my recommendations have been introduced in the congress. Many of them have already received careful consideration by congressional committees. Only one bill, however, has been enacted, a bill relating to the rights of Americans of Japanese origin. I believe that it is necessary to enact the laws I have recommended in order to make the guarantees of the Constitution real and vital. I believe they are necessary to carry out our American ideals of liberty and justice for all."

**DEERE PAYS DIVIDENDS**  
Moline, Ill., July 27—(AP)—Directors of Deere and Company today declared a regular quarterly dividend of 35 cents a share on preferred stock and a quarterly dividend of 25 cents a share on common stock. Both are payable Sept. 1 to stockholders of record Aug. 10.

**Small Child Falls  
Three Floors; Lives**  
San Diego, Calif., July 27—(AP)—A year-old boy fell three stories from a hotel window here and lived.

The child, the son of Mr. and Mrs. Robert Dickinson, aircraft plant employee, was under observation at a hospital here today. A bruised cheek and blackened eye were the only visible injuries.

Mrs. Dickinson said the baby, Anton John, unhooked the screen of a low window.

**Bulletin**  
Washington, July 27—(AP)—Senate Republican leaders will move to take up an anti-poll tax bill tomorrow or Thursday. That will open the civil rights fight and probably tie Congress up in a southern filibuster.

## US Ambassador To Discuss Berlin Crisis With Reds

London, July 27—(AP)—U.S. ambassador Walter Bedell Smith headed back to his Moscow post tonight with the western powers' proposals for settling the German crisis with Russia.

A responsible British source said Smith and British and French diplomats in Moscow would seek personal interviews with Soviet foreign minister V. M. Molotov in an attempt to break the Berlin deadlock.

Top American officials declined all comment on details of the rapid-fire three-day conferences that have been held here the last two days. They said only that the three powers finally had thrashed out an agreement on how to meet what they regard as Russia's gravest challenge in the troubled post-war period.

## GOP Leaders Silent About Advice Of Dewey

Washington, July 27—(AP)—Just what advice did Thomas E. Dewey give to Congress?

There were conflicting versions of it tonight.

Senator Robertson (R-Wyo.) came out of a meeting of the G.O.P. Senate policy committee and told reporters that Dewey, Republican presidential nominee, had advised congressional leaders to "stay around a week or so and then go home."

Robertson said Senator Taft of Ohio had carried the Dewey message to the policy committee.

Newsmen sought comment from Gov. Dewey at Pawling, N.Y. At first Dewey's press secretary, James C. Hagerty, said the governor had no comment.

Later Hagerty said:

"The governor feels that the Congress should stay in Washington and give careful consideration to whatever was proposed in the president's message."

Meantime Senator Taft was asked about consultations between Dewey and congressional leaders.

"There has been more or less consultation with Dewey, but not in detail," Taft said. He added that Herbert Brownell, Jr., Dewey campaign manager, had conferred with congressional leaders.

Taft was asked about recommendations by Gov. Dewey.

"He made no recommendations at all but was consulted," the Senator replied.

A reporter wanted to know if Dewey had suggested Congress to stay here a week or so and then adjourn.

"He was consulted and that's all I have to say," Taft replied crisply. "I'm not going to quote him on it."

## New French Cabinet Passe First Test

Paris, July 27—(AP)—Premier Andre Marie's new cabinet successfully passed its first test in the national assembly today.

The assembly voted 330 to 191 against a Communist motion for a full debate on the new government's general policy. Premier Marie opposed the motion, urging the deputies to postpone discussion so the government could get to work "on the grave problems" facing France.

A second, and more difficult test will come next week when Marie requests powers to promulgate decrees on non-political economic matters.

## WAA Department Chief Found Dead

Chicago, July 27—(AP)—George Evans, 45, Des Moines, Iowa, head of the electronics section of the War Assets Administration at Navy Pier here, was found dead in his hotel room today.

Evans apparently died of natural causes. He had been under treatment for ulcers and a heart ailment. He had been attached to the Navy Pier office since May 1947. His family is living in Des Moines.

**Small Child Falls  
Three Floors; Lives**  
San Diego, Calif., July 27—(AP)—A year-old boy fell three stories from a hotel window here and lived.

The child, the son of Mr. and Mrs. Robert Dickinson, aircraft plant employee, was under observation at a hospital here today. A bruised cheek and blackened eye were the only visible injuries.

Mrs. Dickinson said the baby, Anton John, unhooked the screen of a low window.

## Soviet Troops Reported Moving In Romania

Bucharest, Romania, July 27—(AP)—British and American sources said tonight they viewed with skepticism Turkish newspaper reports of Soviet troop movements on the Yugoslav-Romanian border.

Romanian officials said the reports were not worth denying. Two Istanbul papers said today that 22 Russian air divisions now are concentrated in Romania and that one group of them is facing Yugoslavia.

It was pointed out here that Russia maintains a small group of soldiers in Romania to guard Soviet communication lines with Austria.

One source said the reports may have arisen as the result of mistaking Romanian war prisoners for Russians. These prisoners now are being returned from Russia and wear uniforms similar to the Russians.

## Mine Explosion Kills Thirteen In Indiana

Princeton, Ind., July 27—(AP)—Thirteen miners were killed in an explosion today at Kings' mine, three miles south of Princeton.

Four others were injured, two of them critically.

The blast occurred at 1:55 p.m. (Central Standard Time). Three hours later, mine officials said no workers remained unaccounted for and they believed the list was complete.

Cause of the explosion was not determined. Officials said it involved only one loading unit, no more than a score of men.

Officials said there were 176 workers in the mine at the time. They said the rest of the workers were not endangered. The blast caused only a small fire, which was soon extinguished.

The bodies were brought to the Princeton armory. Lt. Murel Jones of the national guard said a large crowd gathered, but no one was admitted.

King's is one of the largest shaft mines in Indiana, employing 525 men in three shifts.

A number of workers in other parts of the mine came to the surface, but some returned below to aid in rescue work. Miners came from other nearby pits to help. The U. S. Bureau of Mines office at Vincennes, Ind., 35 miles north, sent a rescue crew.

Ambulances from Princeton and Evansville brought the dead and injured to the armory and the hospital here. The sheriff's office at Evansville, 25 miles south, sent deputies to help Gibson county authorities.

The mine had resumed operation recently after being closed several days because of water seepage.

The mine was shaken last November by a series of explosions heard miles away. Two miners were injured, and fire which followed the blasts caused damage so extensive the mine was closed more than two months. Sparks from a mine car which jumped the track set off those blasts.

Two miners who fought the fire last November and helped others escape—Ray Williams and Everett Jordan—were cited for bravery by Gov. Ralph P. Gates.

**Shaw Admits  
Taking Injections**  
London, July 27—(AP)—George Bernard Shaw, vegetarian and playwright, acknowledged today that he once took liver injections.

But he said it was years ago and they very nearly killed me, too.

In an open letter reported by newspaper here, associate editor Symon Gould of the American "Vegetarian" magazine had accused Shaw of violating the "vegetarian code of ethics" by taking such injections.

Shaw who was 92 Monday, was telephoned at his home in Ayot St. Lawrence for comment. He said he had resorted to liver injections "when I got pernicious anemia at a very advanced age."

## U. S. And Russia Increase Air Strengths Around Berlin

### Block Arab Plan Of Issue On Palestine

Lake Success, July 27—(AP)—The Security Council refused today to approve a Syrian move to toss the Palestine problem before the international court of justice.

The vote on Syria's proposal was six to one, with four abstentions. A majority of seven votes, including all of the Big Five, was required to pass it.

Britain, China, Syria, Belgium, Argentina and Colombia voted for the Arab proposal; the Soviet Ukraine stood alone against it, and the United States, France, Canada and Russia abstained.

Dr. Philip C. Jessup, United States deputy, and Jakob A. Malik, Soviet deputy foreign minister, led the opposition to the Syrian proposal.

Jessup told the council that the U. S. feared reference to the court would complicate the task of the United Nations mediator in Palestine.

He was backed by the Canadian delegate, Gen. A. G. L. McNaughton. Malik said the General Assembly already had decided the case of Palestine; there was no need to refer it to the court. He accused Syria of trying to scuttle the U. N. Palestine partition decision.

Faris El Khouri, Syrian delegate, opened the debate this morning with a pledge that the Arabs would abide by any decision of the international court of Palestine. He said the Arabs wanted justice in the Palestine case.

**Air Defense Head  
Speaks At Annual  
Lions Convention**

New York, July 27—(AP)—Lt. Gen. George E. Stratemeyer, head of the Air Defense Command, said today Americans should not be "overconfident" because of the newly authorized 70-group air force.

Too many people, he led the 31st annual convention of Lions International, believe such a force is an "overwhelming instrument."

"We must not forget that during World War Two it was necessary to employ 243 groups of aircraft in our air force before our enemies were defeated," Stratemeyer asserted.

"In setting a figure of 70 groups, the air force was obviously planning for peace—not war."

The general said "the alternative to a peace through arbitration would be ghastly and costly," but added: "Yet we must accept it as a possibility in this present period of international tension. Like the early settler of the West, we must walk down the street with both eyes open and our hands at our gun belt."

"Any future conflict may well be like a pistol duel—if we don't win in the first round, it will be too late."

The general said the United Nations was "the only real solution for world peace."

In this, he echoed the views of two other convention speakers, Federal Judge Ben Moore of Charlottesville, Va., and Fred W. Smith of Ventura, Calif., international president of the Lions clubs.

Moore said America, with her vast power, must guard the growth of the U. N. "until it comes to fruition in real and permanent world peace."

Smith said "to work with the United Nations in the development of world understanding is our greatest responsibility and our greatest opportunity."

In the past year, Smith reported, Lions clubs have spent \$10,000,000 in carrying out nearly 100,000 community and social service projects.

**KILLED BY BLOW ON HEAD**  
Paris, Ill., July 27—(AP)—Noah R. Cown, 30, of nearby Martinsville, died today of a skull fracture suffered when a pipe he was attempting to unload from a truck fell on him.

There were others, as well, but see. He shook hands with no one. When he began to read, from the loose-leaf folder that he uses for his speeches, his voice was low and uncolored. His tone and manner was more in the manner of a secretary reading a report than a man making recommendations. He seldom paused and he seldom increased the volume in his voice, as he did on the night in Philadelphia, when he lifted the Democrats out of their seats.

The galleries were packed, and so was the press section. The speech probably attracted more Washington correspondents than any in a long time.

It is politically, but not physically, accurate to report that Mr. Truman received no response from the Republican half of the chamber. Two little boys were there, apparently with their father. At one point in his speech, the smaller one clapped. His brother, bigger and probably older, promptly silenced him.

### Men, 25, First Drafted; Others By Registration

Washington, July 27—(AP)—Selective Service Director Lewis B. Hershey said today men will be drafted by age groups, with men 25 down through 22 taken first in the initial six months of the program.

It was indicated clearly that although men of this age bracket would be drafted first, the bulk of draftees would come eventually from the 19 through 21 age groups.

Hershey said approximately 500,000 men 22 through 25 would be processed during the first six months, but only about 70,000 actually would be subject to the peacetime service of 21 months.

And he said he believes that no more than 8,000 would come from the 25-year-old group, first to be drafted.

The army expects to take around 225,000 men in the first year. Later, the total will be up around 900,000.

**Army To Determine Need**  
It is up to the army to say when it needs men, and how many. The draft service then will provide them.

Hershey said today if the army asks for as many as 30,000 in its first call, the draft may have to dip down into the 23-year-olds right at the start.

Later the army plans to take about that many each month.

Hershey said today that deferments will be liberal, but added that selective service has not yet written regulations governing them.

The date for beginning of the draft has not been set, either, but Hershey said last week it probably will be shortly after October 1.

**Registration Begins August 20**  
Registration of all men 18 through 25 begins August 30 and continues through Sept. 18. This will be done by age group, too, with men of 25 signing up first, men 24 next, and so on.

The draft head stressed that all men must register, including veterans, unless they are on active duty in the armed services.

Hershey's decision to draft men by age group was announced today.

**Funds Allocated  
For '48 School  
Lunch Program**

Washington, July 27—(AP)—The agriculture department today allocated \$38,800,000 to the states and territories for the 1948-49 school lunch program. Illinois' allocation is \$2,074,435.

Congress appropriated \$75,000,000 for the program, \$50,000,000 more than for the previous year.

Money not allocated to the states and territories will be used to pay administrative expenses and for the purchase and distribution of specific foods to schools participating in the program.

Funds allocated to the states are used to reimburse participating schools for a part of their local purchases of food for school lunches.

The lunch program seeks to improve the dietary and nutritional standards of school children through the serving of balanced noon-hour meals, and to provide an enlarged market for farm products. The program is administered by the agriculture department through state educational agencies.

**Negro May Vote  
'Rest Of Life'**

Griffin, Ga., July 27—(AP)—One of Griffin's Negro citizens today was given the right to vote without further examination of his qualifications, "as long as you live."

Spalding county officials, purging the voting lists, made the exception for Charles C. Cain, who has been voting for many years. Cain is 99 years old.

**Shelton's Slayer  
Still At Large**

Peoria, Ill., July 27—(AP)—Solution of the slaying of mobster Bernie Shelton appeared to hinge tonight on a blurred but discernible finger print found on the death weapon.

Shelton, 50, was shot from ambush Monday as he left a tavern two blocks west of the Peoria city limits. The single bullet fired by the assassin ripped through his chest from one side to the other. His brother, Carl, also was slain gangland-style less than a year ago.

If Shelton's slayer has a police record, his finger prints would be on file with the Federal Bureau of Investigation. Deputy Sheriff William Littell said today the print would be sent to the FBI in Washington.

Shelton, a member of a prohibition era gang which wrote a bloody page in southern Illinois history, was struck as he prepared to enter his parked car. The impact spun him around and he fell on his back on the parking apron mortally wounded.

"They shot me from the timber," Shelton told Alex Rottis, a bartender who ran to his aid. The wounded man died on the way to a hospital.

Sheriff's deputies found the death weapon, a high powered deer rifle, in a hillside thicket about 100 feet from the spot where Shelton fell. Nearby they found a .351 calibre cartridge shell. Footprints led to a cemetery.

**Chicago Dairy  
Increases Price**

Chicago, July 27—(AP)—One dairy announced today an increase in the retail price of milk in grocery stores to 22 cents a quart effective Sunday.

An all time high price in Chicago. The boost of one cent a quart was ordered by the Capital Dairy Co., which said the increase was necessary because of a hike in the government-fixed price distributors must pay to farmers for bulk milk. The company does not make deliveries to homes.

Other Chicago dairies said they expected to raise retail prices soon. The present home-delivered milk price in Chicago is 23 cents a quart.

### Berliners Uneasy About Exhibitions

by Edwin Shanke  
Berlin, July 27—(AP)—The United States Air Force demonstrated its growing air power to Germans in the American zone today by flying jet fighters over several cities.

The German press reported at the same time that the Russians were substantially increasing the force of fighter planes, including jets, in the Soviet zone of Germany surrounding Berlin.

Berlin talked at length on how to combat the Russian drive to turn the city's police force over to the Communists. By seeking to override the city government's authority to fire the Russian-appointed police chief, the Communists faced Berliners with the prospect of two police forces and two police chiefs.

The American, British and French commanders, Col. Frank Howley, Maj. Gen. E. O. Herbert and Brig. Gen. Jean Ganeval, met for more than three hours and dispatched a letter on the police crisis to Berlin's mayor, Frau Louise Schroeder. The commanders would not say what was in the note.

**Transport Record Tonnage**  
American and British cargo planes, meanwhile, flew new record tonnages to western Berlin despite posting of new Russian warnings of maneuvers by their fighters in air corridors traveled by the transports.

Police Chief Paul Markgraf, Moscow-trained German war hero, defied the anti-Communist city government's order dismissing him. He said he not only would remain in office with the Soviet army to back him but would carry out Russian orders to fire Socialist Johannnes Stumm. Stumm is the deputy who had been appointed his successor.

The German press speculated Stumm would transfer his headquarters to the western sectors from the Russian-controlled part of Berlin. This would mean establishment of two police departments in the blocked city.

The result would be added chaos in this city of 3,250,000 where the western allies stood firm against Russian moves to squeeze them out and incorporate Berlin into the Soviet zone.

**Uneasy About Currency**  
There was growing uneasiness, too, among the Germans over the Soviet-directed exchange of stamped money for newly-printed banknotes. When the Russians hurriedly introduced currency reform last month to meet western currency reform, they merely put a distinguishing stamp on the old Hitler mark while new money was being printed.

All this money must be exchanged for new currency by tomorrow. More and more Berliners, particularly in the western sectors, said they had trouble in getting an exchange. After standing in line for hours, many western sector residents were being told their money was "frozen," the western licensed press reported.

The British licensed newspaper Telegraph reported increased Russian fighter strength at several fields, while Die Welt, the British military government's official German language paper, said most Russian jets were based at Dessau, 75 miles southeast of Berlin.

German reports also told of large-scale Soviet army summer maneuvers in an area extending virtually the length of the Russian zone from the Baltic southward to Thuringia. The maneuvers were reported to involve huge 12-ton "Joseph Stalin III" tanks.

U. S. army officials said "there doesn't appear to be anything abnormal about the Russian army maneuvers, although they may be or a somewhat larger scale than last year."

**Child And Pet  
Die In Ice Box**

Salt Lake City, July 27—(AP)—Kenneth Le Roy Palmer, 7, and his pet kitten died together in an ice box.

Deputy city marshal Henry Dipe said the child apparently crawled into the old ice box, in a neighbor's backyard and closed the door.

His body, and that of the cat, was discovered after a short search. They had suffocated.

**WEATHER**  
The Nobury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported official temperatures for Monday as: high, 89; low, 66; and at 7 a.m., 82.

**Forecast for Illinois**—Generally fair except a few scattered thunder-showers in extreme south late Wednesday. Not much change in temperature.

## ALL YOU HAVE TO KNOW IS THE ANSWER

When we oldsters were not so old, children, they used to tell us that America was the land of opportunity. But they also used to tell us that we should put in an honest day's work for a day's pay. And they planted in our tender, guileless minds the idea that the way to get ahead was to work hard, study hard, finish school and go to college if we could. That, they said, was the road to success and wealth in the land of opportunity.

Of course, children, that was vicious propaganda. Today, as you all know, everything has been changed for the better. America is still the land of opportunity. But now it's real opportunity, with all the exploitation and drudgery and other harmful irritants removed.

Today you can be comfortably rich and briefly famous without working and without knowing very much. If you can guess the answer to "Who was called the Father of his Country?" the man is likely to come up and put in your little fat hand as much money as Joe DiMaggio gets for playing baseball all summer on a bum heel.

Think what it would have been like if you kids had been born before American genius gave us the radio quiz and giveaway shows. Why, you probably would have to sweat and slave for three years to earn as much as the lady got the other night for knowing what to say when they stopped the music on "Stop the Music."

Maybe you tend to be slightly morose. That's all right, too. You don't need to know anything beyond your name and a smattering of English. For radio has lent to the tawdry practice of begging a glamor that it hasn't enjoyed since Otis Skinner played Hajj the Beggar in "Kismet."

You might try a program like "Strike It Rich." All you have to do is want money and be able to tell the jolly man at the microphone why you want it. The other night an ex-sailor wanted a tattoo removed from his arm because his wife objected to the scantily-attired figure thereon. He got \$135. Two longshoremen from Brooklyn had told their sister that she acted like a debutante. So she wanted to walk and talk like one. She won \$50 and a free course at a "success school."

To the poor unfortunate lover, tired of courting his young lady in her parents' combination living room-bedroom, went \$100 to buy a separating door. Hokey for privacy and hokey for love! There was an old woman who lived in an old-fashioned house with an old-fashioned bathtub. She got \$200 to buy a shower. Viva el sanitation!

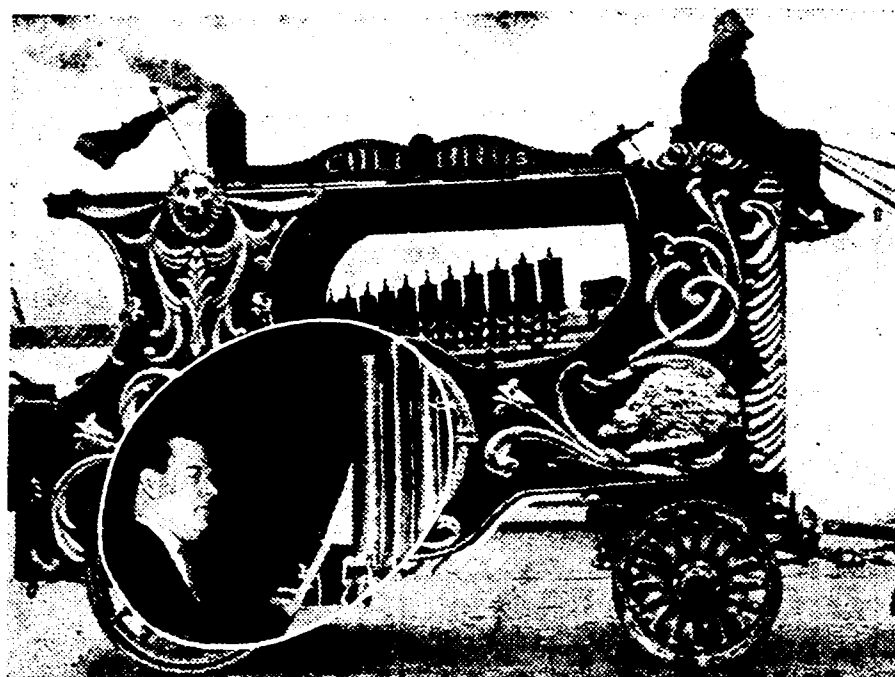

Why work and worry? Why study and strive? Just dream a dream of money and then head for the big city, the broadcast studio, and a great big slice of fortune on the house. Or, if that's too much trouble, pick a different program and wait for the telephone to ring.

There's only one flaw in our pretty picture. Some folks have stirred up trouble in paradise by working. What's worse, they're working the quiz winners. You probably heard about the \$39-a-week man and his wife who hit the quiz jackpot for \$7300. The real estate agents and charity solicitors and just people with their hands out descended on them like locusts. For a few horrible hours the young couple actually thought of giving the money back.

But these are little bugs in our utopian machinery that can be easily worked out. Surely the combined advertising brains of this country, which have thought up such various and clever ways of giving away money, can devise a publicity campaign that will put down this work nonsense in short order.

What's that, Tommy? You're going to be a radio contest winner when you grow up? Well, that's a fine ambition for a fine big boy. You watch Tommy, children, he'll go far. Yes, sir, he's got the modern American spirit.

# Cole Bros.' Calliope

Many an adult heart will thrill was built in 1887 by Adam Forepaugh at the Sebastian Wagon Works in New York. The sixty-year-old hand-carved wagon has traveled nearly a million miles in its work of gladdening hearts with shrill, but none the less, pleasant music.

Just as in olden days, the calliope player must still stand to play the instrument. It takes about seventy pounds of steam pressure to produce one note. A fireman stands at the back of the wagon stoking the boiler with coal to keep the fire blazing and pressure high.

## Boyle's Column

# Progressive Geography—Well, It's A Question!

By Hal Boyle  
Philadelphia — (AP) — To put the robust, newborn Progressive party in its proper perspective, it is perhaps pertinent to point out a geographical fact: The City of Brotherly Love is only one hour and a half by train from New York City.

How much does that explain the new party's impressive vigor?

In Manhattan at any major rally the Communist party and its friends can crowd Madison Square Garden with 20,000 people.

This is important to remember because veteran political observers expressed amazement at the fact Henry Wallace and Sen. Glen Taylor, his tenor running mate, drew more than 30,000 voters of a new political music to their double-header at Shibe baseball park last Saturday night.

Ruth Hardy Did Better  
Babe Ruth in his prime hardly did better. But the campaign will reveal whether the Progressive party has astonishing popular strength—or merely was born in a town where all the relatives could get there in time for the baptism.

If the Progressive party could draw 30,000 people to a rally in Kansas City, St. Louis, Cleveland or San Francisco, there would be no doubt that it represented a powerful cross-section of American discontent.

But it could have picked no more strategic birthplace than Philadelphia—one of the nation's largest cities and easily accessible from New York, Baltimore and Washington.

Reason Not Certain  
This makes it hard to judge whether the huge attendance was chiefly due to an all-out effort by Communist and Communist-front organizations, or whether it was a spontaneous outpouring of people dissatisfied with the two major political parties.

But the campaign will quickly show whether the strength of Wallace, who disavowed no support by anyone sincerely interested in peace, is largely based on the Communists. In what way? By the attendance at Wallace rallies. Only in the eastern and some western seaboard cities can the Communists pack the galleries. Elsewhere the national political music to their double-header at Shibe baseball park last Saturday night.

There's only one flaw in our pretty picture. Some folks have stirred up trouble in paradise by working. What's worse, they're working the quiz winners. You probably heard about the \$39-a-week man and his wife who hit the quiz jackpot for \$7300. For a few horrible hours the young couple actually thought of giving the money back.

But these are little bugs in our utopian machinery that can be easily worked out. Surely the combined advertising brains of this country, which have thought up such various and clever ways of giving away money, can devise a publicity campaign that will put down this work nonsense in short order.

What's that, Tommy? You're going to be a radio contest winner when you grow up? Well, that's a fine ambition for a fine big boy. You watch Tommy, children, he'll go far. Yes, sir, he's got the modern American spirit.

There's only one flaw in our pretty picture. Some folks have stirred up trouble in paradise by working. What's worse, they're working the quiz winners. You probably heard about the \$39-a-week man and his wife who hit the quiz jackpot for \$7300. The real estate agents and charity solicitors and just people with their hands out descended on them like locusts. For a few horrible hours the young couple actually thought of giving the money back.

# Weeds Must Be Cut Now, Council Orders During Busy Session

If you have a weed patch on that back lot, or any place else on the premises, better take care of it immediately. The city is going into action to eliminate the weed nuisance which crops up this time each summer. Councilmen urged Monday night that court action be instituted against persons who refuse to comply with requests to clear property of weeds.

Speaking as a member of the health committee, Alderman Costello said numerous complaints have been received within the past week. The sources of complaint appear to be in all sections of the city, where in certain instances weeds have been permitted to grow without molestation.

City Attorney To Act  
Councilmen deliberated on the weed question for several minutes. It was agreed that the problem be referred to City Attorney Hall, who will prepare an official notice to be inserted in the newspapers notifying owners to cut weeds, and to back up the warning with prosecutions if it is not complied with.

A petition for an amendment to the zoning ordinance with reference to lots 46, 47 and 48, except the south 22 feet, in the original plat of the city was presented by Russell L. Kirchner, Thelma L. Kirchner and the Jacksonville Bowling Alleys, Inc., by Ralph Eoff, president.

The petition asked that the property located on North East street be changed from Class B height and area district to Class C height and area district. It was referred to the ordinance committee on motion of Alderman Baker, seconded by Alderman Weaver.

Councilmen said the petition for height and area revision would be considered despite their decision to delay action on zone petitions until the laws are revised. They said change of height and area could not be classed with outright changes of zone classification.

Repairs For Cell Block  
Alderman Flynn reported that the cell block at the city jail is in need of some repairs, including a welding job. On motion of Alderman Reid, seconded by Alderman Costello, the city hall committee was authorized to spend up to \$130 for the work.

At this stage of the session the city fathers heard several routine reports. Police Magistrate Russell J. Alvarez handled 26 cases during June, with fines amounting to \$413. Chief of Police Frank Kiloran's report for June showed 32 arrests, with 25 city cases and seven state cases.

A resolution for erection of several traffic stop signs was introduced by Alderman Reid. It designated Clay avenue at Superior avenue, West Chambers street at Woodland, and Church street at Chambers streets, as through streets. The resolution was adopted on motion of Alderman Reid, seconded by Alderman Weaver.

Wants Traffic Light  
Alderman Weaver inquired about the status of a proposed traffic light at the intersection of West State and West streets, a question which was up about a year ago. Councilmen recalled that a set of lights could not be obtained at that time. Weaver recommended that the order be revived in effort to obtain traffic lights for the intersection.

The position of patrol sergeant on the police force will be created by an ordinance presented by Alderman Baker, and given first reading on his motion, with a second by Alderman Henderson. Under provisions of the ordinance, the patrol sergeant would be next in command to the lieutenant. The measure will come up for final action at the next meeting.

Rains Flood Plant  
Pumps at the north side disposal plant were shut down temporarily due to high water resulting from Sunday's three inch rain. Alderman Weaver of the sewer committee announced.

The purchase of six manhole covers for the sewer department at a cost not to exceed \$300 was authorized on motion of Alderman Weaver, seconded by Alderman Reid.

The need for a power mower to be used at the north side sewage treatment plant was presented to the council. Alderman Flynn moved, seconded by Alderman Reid, to dispense with bids and purchase a mower at a cost of \$250, after which the motion carried.

Mayor Hoagland commented on the near record-breaking rainfall Sunday night, and the fact that the area along the town brook did not become flooded to any great extent. He said the fact that the brook did not leave its banks proved that construction of the large storm sewer from the state hospital grounds into the dream was an effective means of flood prevention. The mayor said the rain probably was the heaviest since 1926 when the dam at Lake Mauvaisterre broke and a portion of the city was flooded.

Housing Unit Discussed  
Alderman Kelly of the ordinance committee presented a resolution at the request of Illinois College which would extend the life of the temporary housing units erected by the government south of the campus, where a number of veterans now reside with their families.

When the units were erected the council approved the temporary housing for a three year period, with a stipulation that the units would be removed by July, 1949. Attorney Walter Bellatti explained that Congress a short time ago enacted legislation to give temporary housing units to educational institutions which have used them. Under the new law Illinois College would become owner of the buildings.

The contract which the government submitted does not specify a future date for removal of the buildings. Mayor Hoagland recommended that the resolution be tabled until

# Two Pay Fines At Winchester After Wreck

Winchester—Fines were assessed against two Scott county men Monday as the result of an automobile wreck Sunday at the Ebaugh corner on U. S. 36, where a new Cadillac car struck a guard rail, turned over, and was badly damaged.

Clyde Coultas entered a plea of guilty to reckless driving and was fined \$100 and costs by Judge L. Allan Watt in county court.

Arthur Hoots, who was with Coultas, was fined \$25 and costs on a charge of disorderly conduct in the court of Justice N. L. Hamilton.

Both men were placed under arrest by State Patrolman Merle Balke, who investigated the crash on the highway. Neither man in the car was injured, officials said. The damaged car was brought to the Marshall garage in Winchester.

# 40 Attend Public Aid Conference In City

A meeting of supervisory personnel including county superintendents and county representatives from the Jacksonville district of the Illinois public aid commission was held in Jacksonville on Tuesday at the Dunlap hotel.

About 40 people attended the meeting including S. Stuckgold of Chicago, chief of the division of special services of the Illinois public aid commission and Miss Pearl Bierman of Chicago, chief medical consultant for the Illinois public aid commission. The meeting was held under the direction of Thomas S. Hoppe, district representative, and Leroy W. Morbin, assistant district representative.

Among the subjects discussed by Mr. Stuckgold were "Public Relations" and appeal procedures for recipients of public assistance. Mr. Stuckgold is a prominent attorney who is the author of several books, and was formerly a member of the

No damage was reported from wind, however, electric and telephone service were disrupted until Monday morning, due to the accompanying electrical storm. Both local creeks overflowed their banks, and the closing stages of wheat harvesting were further delayed by the heavy rain. Local oat crops were reported now suffering from the prolonged rainy weather. The annual Pleasant Hill reunion will be held Sunday, Aug. 1, in the Amos Savage grove, just south of Alsey.

As early as 1737 the recognized flag of New England colonies had a blue field with a white union quartered by a red cross. Such a flag, with a green pine tree added, was carried at the Battle ofunker Hill.

## Take Off Ugly Fat With This Home Recipe

Here is an inexpensive home recipe for taking off unsightly weight and help bring back alluring curves and graceful slenderness. Just get from your drugist, four ounces of liquid RENNEL Concentrate. Add enough grapefruit juice to make a pint. Then just take two tablespoonsful twice a day. Wonderful results may be obtained quickly. Now you may slim down your figure and lose pounds of ugly fat without back breaking exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to less bulky weight and help regain slender, more graceful curves, return the empty bottle and get your money back.

## They'll Do It Every Time

## Popular Couple Married Sunday In New Berlin

New Berlin—Miss Dorcas Morgan, daughter of Mr. and Mrs. Roe Morgan of New Berlin, became the bride of Charles Dietz, son of Mr. and Mrs. Ted Dietz of Farmersville, at 1:00 p. m., Sunday, at the home of

the bride's parents. Justice of the Peace Earl Chandler performed the single ring ceremony. Mrs. Prudence White, aunt of the bride, played the traditional wedding march. The bride wore a blue gabardine suit with brown accessories. Her only attendant was her sister-in-law, Miss Allen Morgan. The bridegroom's attendant was Allen Morgan, brother of the bride. A reception and dinner was held at the house for the immediate family and close friends. The couple will reside in Farmersville.

The Jarrett annual reunion will be held August 1 at the community house in Girard. An all day picnic will be held. C. R. Taylor and Dr. Harriett Taylor drove to St. Louis on Monday, where they met Mrs. Francis McCall, a daughter of Mr. Taylor who arrived in St. Louis by plane from California and who will be their guest for two weeks. Mrs. McCall was formerly Miss Irma Taylor.

Mr. and Mrs. Ed Davis attended the 50th wedding anniversary of Mr. and Mrs. Gent in Alton, Sunday. Mr. and Mrs. Eldon Devan and family of Brookfield, Ill., are guests of his mother, Mrs. M. Devan. Mrs. J. W. Clark and family of Chicago are guests of Mr. and Mrs. Mrs. Carl Pfeffer and other relatives. Edwin Short has been visiting his brother and wife, Mr. and Mrs. Geo. Short in Wichita, Kansas. Mr. and Mrs. J. F. Short attended a family reunion and picnic of the Short family Monday in Alton.

Fables circulated in Athens in the 5th century. B. C. was attributed to one Aesop—who probably merely told them. The common collections of fables bearing the name "Aesop" were versions of a book made about 320 B.C. and centuries later translated into Latin.

### Optimist Club Has Meeting Recently In Chandlerville

Chandlerville—The regular meeting of the Chandlerville Optimist club was held Thursday evening in

the dining room of the Christian church. Members of the Dorcas society served a fried chicken supper. Buford Harper, president, conducted the business meeting, during which reports were read by the secretary and treasurer. A short program of music was presented. Those present were George Cline, Buford Harper, Paul H. Abbott, Joe C. Lintner, Dale Huffman, Jephtha T. Armstrong, Leonard Millstead, Gilbert Hierman, George Vollmers, Donovan Alcorn, Frank Siltman, Roy Kirchner, Roy Sarff, Wayne Atterberry, Ernest Brown, Ralph Kennedy, Wilbur Fritchman, Dwight Bucy, Frank Trowbridge, Dr. W. C. Harper, and Veris Abbott.

Mrs. Charles Cherry entertained members of her bridge club at her home Friday evening. Three tables of contract bridge were in play. Prizes were awarded to Miss Eula Rethorn, Miss Edna Heiman, Mrs. Kathryn Clegg, and Miss Sarah Rethorn.

Clarence Glick of Pleasant Plains spent Wednesday with his mother, Mrs. Edna Glick.

Eugene Pherigo, Lester Bulova, and Bernard Duckwiler were in Springfield Wednesday to sign up for the Navy.

### Knights Purchase Jerseyville Home

Jerseyville—The Knights of Columbus Home association of Jerseyville council No. 1692 has purchased the residence property owned by Mrs. Elsie M. Holmes of Jerseyville on the corner of Washington and West Exchange street, consisting of a two-story building and two lots.

For the present the new owners will continue to rent the property. William Dougherty, grand knight of the local council, stated, but plans will eventually call for use of the site for the establishment of clubrooms and recreational center. Until such time as their building program can be completed the clubrooms of the council will remain at the same quarters on South State street.

## Newsprint Goes Up Another \$4

Newsprint, the kind on which the Journal Courier and other daily newspapers are published, is slated for another sharp jump in price.

The International Paper Company and the Consolidated Paper Corp. have informed their customers in the United States and Canada that newsprint will be raised \$4 a ton, effective Aug. 1, 1948.

The latest increase in price of newsprint follows a long series of raises in price. Most newspapers obtain their newsprint from mills in Canada. The newest jump in price was announced by the companies from Montreal, Canada.

## Hudsons Invite Public To Inspect New Dairy Plant On Thursday

The Hudson Dairy and Dairy Bar on East Morton Road will observe its formal opening Thursday, July 29, 7 to 11:30 p.m. (D.S.T.). The entire plant will be open for inspection by the general public.

Hudson's have been in the dairy business for more than twenty years in Jacksonville. They were in business at 663 South West street for twenty-eight years. During those years they added floor space and kept pace with technological improvements in the dairy industry.

The dairy on Morton road was opened for business on May 19, 1948. William Hudson stated that the family decided to build this plant before the war, but because of scarcities could not.

The plant is located one-quarter mile east of the city limits on route 36. It is divided into two main sections. The foremost section is the dairy bar. It features sandwiches, salads, and all items from the fountain.

Directly behind the bar is the dairy proper. Mr. Hudson stated that 90 per cent of the equipment therein is new. Some of the new machines include stainless steel pasturizers, homogenizers, clarifiers, and a bottle filler.

The bottle filler is a complex piece of machinery operated by two men. Bottles are placed on a conveyor belt and are carried through the machine in ten separate operations. The bottle is washed, rinsed, inspected, filled, capped and made ready for the consumer without one human hand touching it. Twenty minutes are needed to get the bottle from the initial wash to the final capping operation.

It will bottle 92 half-pints, or 67 quarts, or 45 one-half gallons a minute.

Employs 14 Persons  
Hudson's dairy serves Jacksonville and vicinity. Its equipment includes three modern delivery trucks. Fourteen persons are employed in the dairy, including the personnel in the dairy bar.

The Hudson dairy is more than a name. Both sons, William and Warren, and Mrs. Hudson work at the dairy. Both William and Warren are married and reside in Jacksonville. The picturesque Hudson farm is annexed to the dairy. Sixty head of

**"Why, it's quiet as a puppy on his pillow!"**

THAT'S the way one Buick owner puts it—and we think the picture is pretty pat.

Because you know what a perfect image of complete serenity a sleeping puppy makes.

Yet you know how instantly he comes to life, how quick and eager and ready for fun he is the moment you give the signal.

Now slip into one of these Buick beauties—and see how precisely the shoe fits.

Standing still—while you wait for a light, for instance—you hardly know your engine's running. All hum, drum and engine sensation seem magically wiped away.

Then you nudge the gas treadle, ever so little.

In an instant, eight eager cylinders take hold—and you swoosh away like a hare before hounds, leaving the whole pack trailing.

Now, it takes a couple of major engineering developments to make that combination possible.

First off, it takes plenty of lively, eager power. Fireball power, such as only Buick has, ready to squeeze the last bit of action from every drop of gas.

Then it takes something really new in the way of engine mountings. In this case, Hi-Poised engine mountings that literally rock vibration to sleep.

Technically, engineers tell us, it's a matter of controlling the frequency of vibrations to which all cars fall heir. It means cradling the power plant at scientifically determined points—and smothering vibration

build-up in fat pillows of specially compounded rubber.

The result? Well, it adds up to cyclonic power wrapped in velvet. Life—ginger—get-up-and-go—in a package that's being called the silkiest thing on wheels.

Why not learn more about it—first hand? Your Buick dealer will do his best to oblige—and he'll take your order with or without a car to trade.

## Frazier And Meng Rites Performed At Greenfield

Greenfield—Wedding vows were exchanged Sunday afternoon by Miss Wanda Frazier, daughter of Mr. and Mrs. Boyd Frazier, and Louis Meng, son of Mrs. George Meng, both of this city. The ceremony was performed at 4 p.m. at the Methodist church by the Rev. Robert S. Swain.

Attending the couple were Miss Marie Pembroke, cousin of the bride, and Giller Strang, brother-in-law of the bridegroom. Mr. and Mrs. Meng are both graduates of the local high school. Mrs. Meng has been employed in the Meng-Secor Dry Goods company, and her husband is with the George Meng Hardware company. He served for four years during World War II in Africa, Sicily, Italy, and France. After a short honeymoon, they will make their home in this community.

## MURRAYVILLE

Murrayville—The annual picnic of the alumnae chapter of the Alpha Iota sorority was held recently at the home of Mr. and Mrs. M. M. Strang here. About 30 persons were present.

The committee on arrangements was composed of Mrs. Mildred Shadle of Jacksonville, and Mrs. Strang. Guests included Linda and Mary Lou Hardwick of Jacksonville and Sammy and Sue Strang.

Mrs. Clifford Alread, Sr., and children, Betty and Jimmy, are visiting relatives in Guadalupe, O. They were accompanied to Chicago by Mr. Alread.

Mr. and Mrs. William Strawn and niece, Sharon Beades, of Chicago, spent the week end with Mrs. Strawn's parents, Mr. and Mrs. T. G. Beades. Sharon remained here for a longer visit.

Mr. and Mrs. Lawrence Dobson and son left Saturday for their home in Rockford after a two weeks vacation with relatives here. They were accompanied home by Mrs. Dobson's sister, Miss Hazel Coumbes.

Mr. and Mrs. S. B. Robinson spent Monday with Mr. and Mrs. J. L. Walker and family in Loami.

### To Give Mission Program Thursday At Northminster

The Northminster Mission meeting will be held at the church on Thursday afternoon at 2:30. The business session will be in charge of Mrs. George Corcoran. Plans will be made for the annual gift meeting in September, when gifts will be brought for a Mission Station.

The meeting Thursday will be in the form of a radio-broadcast bringing a message of the medical needs on the Mission Fields. The offering will be a contribution to help replace ambulances destroyed by war in China.

### Officers Surround House; Fail To Find Carl Drake, Fugitive

Acting on a tip that Carl Drake, alleged kidnapper and holdup man, had been seen in this city, a posse of heavily armed officers surrounded a house in the northeast section of Jacksonville at 7 o'clock Monday evening. Drake, who has been sought since 1941, and who has eluded arrest several times, was not located.

Members of the police and sheriff's forces joined in the manhunt without avail. Officials Tuesday expressed opinion that Drake probably had been in this community but escaped the dragnet.

Three persons were questioned when the fugitive could not be located. All denied that he had been in the house or that they had seen him.

The searching party consisted of Chief Frank Kiloran, Patrolmen Spruen, Willner and Carter, Sheriff Ralph Bourn, State's Attorney W. L. Fay and Deputies Irlam, Timmons and Kistrell.

Officers went heavily armed as Drake, a former resident of Waverly, is considered dangerous. He is said to have boasted on several occasions that he would never submit to arrest.

Sought Since 1941

Since 1941 Morgan county officials have endeavored to bring Drake to justice to face charges of kidnapping. Dr. Paul Allyn, prominent Waverly physician, robbing him and stealing his car. Drake, now about 39 years old, has been reported in various sections of Illinois, Texas and other states. The federal government also has sought him for a number of years.

Drake was indicted by the Morgan county grand jury at the November term of court in 1941 for armed robbery. He is alleged to have held up Dr. Allyn at the point of gun, forcing him to drive some distance from Waverly. The abandoned car was found later in Macoupin county.

The fugitive is said to be wanted at Pontiac, Greenville and Carlinville in connection with other offenses.

**Description of Drake**

He is described as five feet, eight inches high, and weighed 147 pounds in 1941. His eyes are gray, hair is brown, and complexion medium.

After the Waverly holdup and kidnapping seven years ago former Sheriff A. E. Williamson prepared a description of Drake and pictures which were circulated among peace officers throughout the country.

Drake has traveled under several aliases including Charles Duffy, Jack Davis and Eugene Drake.

### Allendale Farm Will Furnish State Fair Prize

Virginia—At the annual meeting of the Illinois Spotted Poland China Breeders' Association held at Bloomington, Sunday July 18, the Allendale Farm of near Virginia was chosen through lot, to furnish a prize gilt to be presented to the boy or girl with the grand champion boar and China barrow at the Illinois State fair. All of the breeders agreed to sell their best gilt to the association for the presentation. David Dodds and Vernon Wilson are the owners and operators of the Allendale farm. The owner of the grand champion will be in the 4-H division.

**Craft Heads New Board**

M. M. Craft of Virginia was elected president of the new board of education for the Virginia school unit. C. G. Colburn, State's Attorney, was elected secretary. The board held its initial organizational meeting Friday night. Other matters were discussed including the approval of most of the teachers who had been previously hired by the retiring board. It is expected the new board will have frequent meetings to establish the policies and organization of the new school unit.

**Returns From Europe**

Richard Pugh, who makes his home with his uncle, James Massie, returned home from an extended trip to Europe as part of his training at Annapolis Naval Academy. Pugh has finished his first year at the academy and feels highly honored in being selected as one of the several who made the trip.

William E. Burns, president of the American Legion foundation, announced the following committee has been appointed to supervise and present a home talent play under the sponsorship of the Legion post. Raymond E. Whitaker, chairman, members Warren Musch, James Frisch, John Graves, Henry George McDonald, Richard Jumper, Carl Collins, and Lee Tanner. Whitaker says he will call a meeting of the committee sometime this week for a general discussion of plans and appointment of various committees.

### Illinois River Raises 3.9 Feet In 25 Hours

Meredosia—A torrential rain struck Meredosia and vicinity from 5:00 p.m. to 7:30 p.m. Sunday. C. O. Morgan at Sunset Beach north of town reported a fall of 4.1 inch on his rain gauge. The Illinois river here raised 3.9 ft. in 24 hours.

The marker bat of the Meredosia Fish Co. was torn from its moorings and after a search was found in Meredosia Lake about 3 miles from its mooring place. It was towed within a mile of its usual site by outboard motors operated by local men but the strong current proved too much for them and the attempt had to be abandoned until a power boat from the dam at La Grange arrived.

State route 104 was inundated from the east edge of Meredosia to the junction of route 100, two miles east of town. Approximately 1100 acres of ground were under water but it was the opinion of old residents that the water would drain off before any damage was done to growing crops. At 7:00 a. m. Monday the Illinois river stood at a stage of 12.2 ft.

## WHEN FARM INCOME IS HIGH

Wise farmers lay up reserves for the leaner years which follow. In the past, unfortunately too often such reserves were in the form of land or livestock; when the bottom dropped out of prices, the reserves could not be turned into very much ready cash.

Money in a bank account or invested in Savings Bonds will have a higher rather than a lower purchasing power in case of a decline in farm income. Are you saving all you can for the future?

## Jacksonville Outfits Knocked From Running In Two Close Combats

**Tonight's Schedule**  
 6:45—Jacksonville Merchants vs. Knights of Columbus  
 8:00 — Jacksonville Moose vs. Chapin  
 9:15—Carrollton Lions vs. Jacksonville Implement Dealers

Four interesting ball games were provided for one of the season's largest crowds at Nichols Park diamond last night as play resumed in the Amateur Softball Association's district tournament. One game, the opener, went eight innings.

**Final scores:**  
 Detroit 4; Jacksonville American Legion 2  
 Bluffs 4; Pfeister Hybrid (Winchester) 1  
 Roodhouse Indians 2; House of Clay (Jacksonville) 0  
 Murrayville 5; Phillips 66 Flyers (Roodhouse) 4

The opener proved to be every bit the thriller that was promised as Detroit came from behind a 2-0 deficit to nose out the Jacksonville Legionnaires in one extra frame, 4-2.

Stiller, Detroit's chucker, and Blakeman, Legion hurler, were locked in a tight duel all the way. And, although the hits and errors for both teams were identical, Detroit got more markers across the plate.

The hosts opened the scoring in the third. Blakeman singled, took second on Sims' single and scored on two errors. Sims was erased on a fielder's choice, but Campbell scored later in the frame on Wolfe's long fly to center field.

Detroit came back to tie the count in the second, scoring first on a hit, an error, a passed ball and an infield out, and later on a fielder's choice, an infield out, an error and another passed ball.

The winning runs in the eighth came as a result of doubles by Peak and Stephenson and a single.

**Line score:**  
 Detroit .....000 000 02—4 6 2  
 Legion .....002 000 00—2 6 2

Bluffs scored first and was never headed in the second combat, which failed to produce the action that was provided in the opener.

Castil, the Bluffs' moundman, held the youthful Winchester club to only four hits while his mates collected eight off Little. Five errors helped the Bluffs club in its run production.

Three passed balls following a single gave Winchester its lone run in the fourth.

Bluffs scored twice in the third on Hatfield's triple, Bauros' single, an infield out, a passed ball and Castil's double.

The Morgan county aggregation elated away the win in the fifth when Comerford was safe on an error, took second on a single and scored on a two base error in left field. Kendall, who singled, took second on a throw, third on an error and tallied on another error.

**Line score:**  
 Bluffs .....020 020 0—4 8 2  
 Winchester .....000 000 0—1 4 5

The House of Clay was held to three hits—all of them triples—in the third game and dropped an exciting 2-0 contest. Two of the Jacksonville team's blows came with two away and Roodhouse pot out of jams. The third opened the last inning, but the runner was out attempting to score on an infield hit.

Again it was a pitchers' duel all the way. Jackson, the Indians' hill ace, displayed a bit better control than did Johnson of the losers. But Roodhouse got only five hits off the losing chucker.

Ferguson walked to open the fourth inning for Roodhouse. He took second when McAdams was hit by a pitched ball and scored on two wilded outs. McAdams later counted on an error at first base.

That was all there was to the scoring. Although the host nine showed an ability to clout Jackson's offerings on occasion, they couldn't get their blows when they were needed.

## Youth Threatens Woman, She Fires, He Faints!

Chicago, July 27.—(P)—A shot was fired and a youth staggered from a hamburger shop at 209 North Western Avenue last night and fell face down on the sidewalk.

A police squad was summoned. Mrs. Helen Williams, 30, owner of the shop, told Detective Lyons Kellier the youth had broken a window and she shot at him after he threatened her.

Kellier ordered the youth to the Cook county jail hospital as he continued questioning Mrs. Williams.

A few minutes later Kellier learned the youth—identified as Roscoe Kelly, 22—had not been hit by a bullet at the hamburger shop. He had fainted.

Kelly was held on a charge of malicious mischief on Mrs. Williams' complaint.

## Former Hitler Aide Escapes From Camp

Frankfurt, Germany, July 27.—(P)—The Frankfurt radio said tonight Otto Skorzeny, who kidnapped Mussolini for Hitler, escaped from a German prison camp at Darmstadt where he had been held for trial by a denazification court.

Skorzeny was freed last September by an American war crimes court of charges that he sent German troops into combat dressed in American uniforms. Later he had been put to work by the Americans helping to compile war records.

## Junior League Softball

In games last night the Amvets nosed out Franklin in a 7-6 thriller and Murrayville jolted the American Legion team 13-3. Paul Sorrells, pitcher, led the Murrayville club to victory.

Pikes Peak was named after Lt. Zebulon M. Pike, who discovered it in 1806.

**Chicago Boys Continue Journey**  
 Edmonton, Alta., July 27.—(P)—Two young Chicago high school graduates who escaped drowning when their canoe overturned in the San Sault Rapids on the Mackenzie river a week ago, are continuing their journey to Aklavik, N.W.T., by working their way on a river boat.

Jack Overly and Hal Smith, both 19, lost all their supplies when their 17-foot boat capsized and they reached shore after clinging to the overturned craft for 11 hours.

## Two Runs In Last Inning Wins Game For Dodgers

Brooklyn, July 27.—(P)—A misjudged fly by Terry Moore and Pee Wee Reese's run producing fly enabled the Brooklyn Dodgers to score twice in the ninth inning and nip the St. Louis Cardinals, 3-2, today.

The Dodgers were trailing 2-1, going into the last frame. Gene Hermanski singled to start the inning, the fifth hit off Howie Pollet. Hermanski moved to second on a sacrifice and romped home with the tying run when Moore misjudged Bruce Edwards' drive, the blow falling for a double.

Pollet intentionally passed Tommy Brown. A wild pitch moved the runners up a base and after Gil Hodges was purposely walked to load the sacks, Edwards scored, after the catch with the winning run.

The boys broke a scoreless tie in the fifth inning when Nippy Jones doubled and Ralph LaPointe singled. The Dodgers tied the count in their half on singles by Hodges, Reese and a force out.

In the sixth, the Cards moved ahead again when Stan Musial doubled and Enos Slaughter singled. Musial collected three hits in four trips to boost his league-leading batting average to .390.

Joe Hatten started for the Dodgers and yielded all the Cardinal runs and hits. He left for a pinch-hitter in the eighth and Rookie Carl Erskine pitched the ninth and held the Cards hitless.

For Erskine, it is his second victory for only two hitless innings of work.

The recruit hurled one frame against Pittsburgh Sunday and picked up the triumph on a Dodger rally.

The 21-year-oldster won 144 and lost six for Fort Worth in the Texas league before he moved up to the big show last week.

**Braves Continue Winning**  
 Boston, July 27.—(P)—Nelson Potter, the American League discards, held the Pittsburgh Pirates to six scattered hits and knocked in the winning run and the top place Boston Braves opened a 20 game home stand with a 5-1 victory tonight before a 29,031 crowd. The first Pittsburgh hit was Ralph Kiner's 8th homer with two out in the first inning.

The Tribesmen collected nine hits off Lefty Fritz Ostermuller including Phil Masi's two run homer in the sixth inning and Rookie Clint Conatser's first National league four bagger in the eighth.

Conatser started the Braves off on a two run "clinch" rally by singling with two out in the second inning. He scored from first on Masi's two bagger to left.

Potter, let out by the Philadelphia Athletics about a month ago, then assured himself of his second National league triumph in two starts by lashing the first of his pair of singles to center to score Masi.

**Jansen-Giants Victors**  
 New York, July 27.—(P)—Larry Jansen turned in his second straight shutout and 13th victory of the season tonight as he pitched the New York Giants to a 3-0 six-hit victory over the Cincinnati Reds. The game marked the home debut of Leo Durocher, new Giant manager.

Jansen has now pitched 23 scoreless innings. He has allowed but one run in 100 innings pitched. That was Hank Sauer in the second inning when the Rhinelanders filled the bases on two hits and a pass.

Singles by Bill Rigney and Whitey Lockman and a fly by Johnny Mize accounted for the first Giant run.

Lockman's double and Marshall's single produced the second tally. The final run came at the expense of Howie Fox who relieved Johnny Vander Meer, on two passes and Mize's safety.

**Winchester Nine Wins Over Blues Here on Sunday**

Winchester scored three runs in the eighth inning at Russel Field Sunday afternoon to take a hard-fought M.S.C. league decision from the Jacksonville Blues.

The two clubs were deadlocked 3-3 from the fourth inning until the visitors broke the tie and sailed away the decision.

Brainer, Blues' chucker, and K. Gregory of Winchester locked in a tight pitching duel. Gregory allowed only seven hits, while Brainer held the opposition to nine.

Three hits and a walk accounted for the winning runs in the eighth.

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, July 27.—(P)—After a steady start, hog prices broke 25 to 50 cents a hundred pounds today. Cattle, however, were mostly strong to 50 cents higher and sheep fully steady.

Most good and choice butcher hogs sold between \$21.75 and \$22.75 with a top price paid at \$30.00. Sows were \$19.00 to \$25.00 and a top of \$25.50.

Best cattle price was \$14.00 on steers, followed by a \$40.00 top on yearlings and \$37.50 on heifers. Most good and choice steers and yearlings ranged from \$35.00 to \$40.00 and most heifers from \$32.00 to \$37.00.

Beef cows took \$19.00 to \$24.50 and sausage bulls as high as \$11.75.

Total receipts included 12,000 hogs, 5,300 cattle, 600 calves, and 2,000 sheep.

## New York Stock Market

New York, July 27.—(P)—The stock market's response to the President's message to congress today was a gentle advance.

Prices had inclined higher before the president delivered his recommendations. After he spoke the market developed a little more sensitivity to only small demand and prices than yesterday's sleepy session with the rate for the full day around 900,000 shares.

The financial district had known pretty well the general tenor of the president's proposals and nobody got excited over the terms themselves. The message, in a word, was virtually ignored by the market.

U. S. Steel was a strong spot.

Also marked up were Bethlehem Steel, General Motors, Studebaker, Montgomery Ward, Schenley, J. I. Case, N. Y. Central and Standard Oil (N.Y.).

Railway bonds were trimmed while U. S. government issues held steady in the over-the-counter market.

## OATS FUTURES FIRM BUT CORN, WHEAT FAIL TO GAIN

Chicago, July 27.—(P)—Oats futures were firm on the Board of Trade today, but corn and wheat prices generally were unable to make any headway.

Only September corn was firm on short covering. Shorts also covered oats contracts, influenced by continued rainfall which traders said will delay harvesting of that grain and might result in some crop loss.

Hedge selling caused an early slump in the wheat market. Prices recovered somewhat at times, then slipped again.

Trading generally was quiet and trade authorities discounted President Truman's speech as an influence on prices. They said recommendations in his message generally had been expected.

Receipts were: Wheat 253 cars, corn 46, oats 106 and soybeans 9.

Wheat closed 1/4 to 1 1/2 cent lower than the previous finish. September \$2.29-\$2.29 1/2, corn was 1/2 cent lower to higher, September \$1.71-1/2, oats were up 1/4 to 1 1/2, September \$1.60-1/2, soybeans were down 1/4 to 1/2 cents—the daily limit—with November \$2.87.

Lard futures fell about a cent a pound under liquidation caused by traders' fear of possible price controls. The September contract closed at 20.30-25.

## East St. Louis Livestock

National Stockyards, Ill., July 27.—(P)—(USDA)—Hogs 8,500; market steady to 25 lower than Monday; decline being on 180-230 lbs hogs; bulk of these 29.75-30.00; top 30.00; predominant price 29.75; 160-170 lbs 29.25-29.50; 130-150 lbs 25.50-28.00; 100-120 lbs 23.50-25.00; scattering 240-270 lbs 28.25-29.50; moderate sprinkling 280-300 lbs 26.00-28.25; load 350 lbs 24.00; sows 45 lbs down 21.00-24.00; heavier kinds 19.00-20; stags 17.00-19.00; boars 12.50-15.00.

Cattle 4,000; calves 1,800; opening trade active and strong on steers and heifers with higher asking prices tending to delay sales; few loads of good steers 35.00-50; some choice steers held above 39.00; cows opening strong to 50 higher; few good cows 24.00-25.00; common and medium beef cows 19.50-23.00; canners and cutters 15.50-19.00; bulls firm; medium and good 23.00-25.00; few 23.50; vealers steady; good and choice 28.00-31.00; common and medium 16.00-27.00.

Sheep 3,000; few early sales spring lambs 25 to 50 higher; 29.00 paid sparingly for strictly good and choice lots; market not fully established but all interests bidding.

## Markets at a Glance

New York, July 27.—(P)—Stocks—Higher rally follows President's message.  
 Bonds—Lower; rails decline.  
 Cotton—Quiet; light mill buying.

Chicago  
 Wheat—Weak; hedge selling.  
 Corn—Mixed; short covering boosted September contract.  
 Oats—Firm; short covering.  
 Soybeans—Off 7 1/2 to 8 cents—daily limit.

## Joe Tinker Of Double-Play Fame Dies On 68th Birthday

Orlando, Fla., July 27.—(P)—Joe Tinker of the double-play Tinker-to-Evers-to-Chance baseball fame, died suddenly in a hospital today of respiratory trouble.

Today was the 68th birthday of the old Chicago Cub shortstop. Physicians only a few hours before had remarked how well he was. He died at 10:15 a. m. (CST).

He was in a hospital here for a checkup on his diet and for treatment of a respiratory ailment.

Tinker had gone into Orange Memorial Hospital 10 days ago. His condition had been considered not serious.

He had been the only surviving member of the Tinker to Evers to Chance baseball combination that brought him fame through baseball.

Tinker had been troubled with diabetes for several years and last year had part of his leg amputated following a foot infection.

THE STORY: Miriam's banker tells her that when she withdrew the \$10,000, the bank gave her new bills of the same serial number. This was at her request so the bills could be traced. Miriam's lawyer, T. Bryan Steadman, tells her that Sterling will inherit Miriam's personal property, including the house and the necklace, which was insured for \$100,000.

Mr. Sterling chose to sleep at a club only 20 minutes from his home, to be on hand for morning golf, on a night when no servant was in the house... when Mrs. Sterling would be alone.

Janet's clear hazel eyes lighted brightly. "Our minds seem to be perfectly attuned, Mr. Trapgood. I hurried that very charge at Marcus last night... but he had a ready defense. He said their maid didn't get to the house until 8 on Friday morning, hence either he should have had to leave the house without breakfast or get a late start. But, seriously, I doubt that Marcus has outgrown doing thoughtful things... it probably didn't enter his mind that he was leaving Miriam alone."

TRAPGOOD decided he had wandered into a blind street. Chris Talent's suspicions wouldn't get much support from that. As a witness, he'd prefer to have Janet Weirhaven on his side of any case. There was charm in her unaffected frankness. She made a good impression. She was making a good impression on him, quite beyond anything warranted by the purpose of his interview.

"Getting back to yesterday's luncheon, Mrs. Weirhaven," Trapgood said, "did Mrs. Sterling mention anything about where she expected to be during the afternoon?"

"We both had 2 o'clock appointments with hair-dressers. Not at the same place. Miriam was going to Delt's, on Madison Avenue."

"You don't know where Mrs. Sterling had been, before you met her?"

Janet decided on her answer to that with no perceptible delay. She wouldn't drag Marcus Sterling's personal problems... that vague money problem that seemed so to have upset Miriam... needlessly into a tragedy already devastating for Marcus. "Our

meeting was entirely casual," she said. "Just crossed paths in Fifty-Seventh Street."

Trapgood got up on that and Ripley followed his lead. "We're merely trying to follow Mrs. Sterling's program of yesterday," Trapgood explained.

Janet walked with them to the door. "On a happier occasion, I'll offer you a drink," she said. "This doesn't seem just the time." She included both men, but her eyes, frankly wide, lingered on Trapgood. He carried their expression with him as he led the way along the curving gravel path to the sidewalk.

AT the wheel of his car, Trapgood inquired, "Hungry, Gus?" "You're reading my mind. Long time no eat."

Trapgood headed the car away from the direction of the Parkway. For four or five blocks he drove through quiet curving roadways past Clifton homes. Beyond the final fringe of houses, the road swerved sharply and there was a sharp descent of two long blocks past heavily wooded land.

At the base of the descent, the road opened into a wide, cobbled paved cross thoroughfare. Trapgood held the car before turning while a trolley-car clanged by. "What street is this, Dick?" Ripley asked.

"I'm sure you've heard of it, Gus. It's a little street called Broadway."

"A sort of back road, isn't it, with a heavy screen of woods hiding Clifton?"

"I was thinking this would be the way out for a yeg pulling off a job up there."

"Or the way in, too," Trapgood added. "Gable ought to have some of the precinct men do some checking along here."

He turned the car into Broadway, drove south. A block short of the subway terminal, he brought it to a stop in front of a weather-scared diner, pretentiously identified as "The Rendezvous." "Doesn't look too good, Gus, but we'll see what we can pick up." Trapgood said.

## Captain Potter Pleads Innocent To Navy Charge

Great Lakes, Ill., July 27.—(AP)—Navy Capt. Howard P. Potter pleaded innocent today at the opening of his court martial on charges of fraudulently working for the state housing board while on active duty.

Lt. Commander William L. Poinceter, flag secretary to Admiral J. Cary Jones, commandant of the Ninth Naval district, testified on a district naval order which prohibits naval officers from holding civilian jobs. He said Potter had never made any application for permission to take a civilian post.

Potter, a native of Jacksonville, Ill., yesterday asked the secretary of the navy that his trial be closed to the public, but his plea was turned down. He is in charge of the naval reserve Sea-Bee program for the Ninth district.

Potter is accused of having drawn \$350 a month from the Illinois housing board from June 1, 1947 to Feb. 29, 1948. He is also charged with having drawn \$800 of state expense money while getting \$7-a-day expenses from the navy.

Lt. Jerry R. Siefert and Lt. (jg.) Reid Patterson, prosecutors, offered as evidence several documents, pencilled notes and books taken from the office in which Potter worked at Great Lakes. One was an organizational manual containing the order prohibiting naval officers from taking civilian jobs while on active duty.

Siefert said Temple McPhayden, head of the Illinois housing board, will be called to testify tomorrow. The court martial is made up of five navy captains, a marine colonel and a navy commander.

Anticipating trial on similar charges in September is Lt. Cmcdr. William E. Johnson of Chicago, who served on the district Sea-Bee staff under Potter.

## Arthur Pearson Is Removed to Navy Hospital

Arthur C. Pearson who was severely injured July 23 in a wreck near Ashland which claimed the life of Charles Twamley, was removed to the Navy hospital at Great Lakes, Illinois, on Tuesday.

Pearson was removed to Springfield by ambulance and was flown to the naval base.

His mother stated that his condition has improved rapidly in the last few days. He rests well at night, she said, and seems to be much better. Pearson had both jaws fractured in the impact.

Pearson is enlisted in the United States Navy and was to have joined the Providence on the east coast.

Pearson is the son of Mr. and Mrs. Carl Pearson, 342 Caldwell street. He was on leave from the navy when the accident occurred.

## Sorority Group To Attend Opera

Members of Alpha Iota sorority will attend the St. Louis Municipal Opera's presentation of "A Connecticut Yankee" on Thursday night. About 40 members will leave Jacksonville at 5 p.m. on a chartered bus.

In charge of arrangements for the trip are Miss Dorothy Crabtree and Miss Irene Crawford.

## Burglary Suspect Has Served Time In Many Prisons

Forty-one year old Virgil F. Bourland, held in the Morgan county jail to face burglary and larceny charges, has spent as much time since 1924 in prison as he has out, according to information forwarded Tuesday by the F.B.I. to the Jacksonville police department.

The federal bureau sent Bourland's complete criminal record to the local department. It covers two typewritten pages.

Beginning in 1924, Bourland began a series of offenses which received attention of courts in several states, and placed him behind the bars in many jails and penitentiaries. He has served time in Pontiac, Leavenworth, Huntsville, Texas, Jefferson City, Mo., and Canon City, Colo., in addition to lesser stretches in jails.

The F.B.I. report shows that most of his trouble involved burglaries, but he was sent up once or twice for violations of the Dyer act, the theft of automobiles.

The prisoner gave his name here as Jack Bourland, although the official files list him as Virgil F. Bourland.

He was arrested by city police in connection with six burglaries at business houses, to which he confessed. The last was recovered. Bourland is now a prisoner in the county jail under \$5,000 bond awaiting action of the grand jury.

## Roodhouse Man Guest Of Honor At Birthday Event

Roodhouse—Cloyd Fox of west of Roodhouse was guest of honor at a surprise potluck dinner held at his home Sunday on his 55th birthday. The group included his father, George Fox, 77, of Hillview.

Also attending were a brother and family, Mr. and Mrs. Russell Fox and sons, Don and Roger, of Manchester, Mr. and Mrs. Earl Allen and daughters, Diana and Louise, of Alton, and Miss Nellie Quinn of Roodhouse.

Mrs. Walter Ricks and Mrs. Charles McIver will visit in the home of Mr. and Mrs. I. V. Wilkerson of Chicago this week end.

Mr. and Mrs. Gilbert Lloyd of Morton have returned from a visit at the home of Mr. and Mrs. Ned Hopkins.

Mrs. Dora Osborne, who has spent the past three weeks at the home of her sister, Mrs. W. A. Jolley, Sr., has returned to her home in Medora. Accompanying her was her sister-in-law, Mrs. Addie Pritchett of Lake Worth, Fla., who will remain with her for some time.

## Loud Crowing Hen Lays Many Eggs

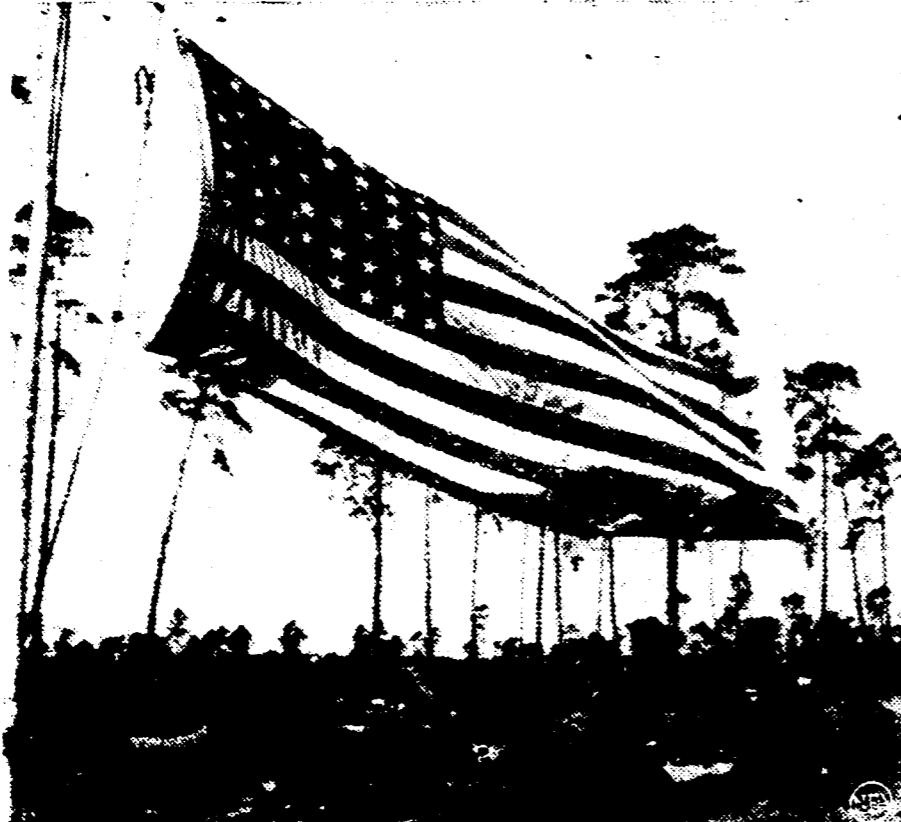

Macomb, Ill., July 27.—(AP)—Jesse Goss' pet hen is attracting wide attention with its unusual laying and crowing habits.

The only chicken on the Goss farm at nearby Good Hope, the two-year-old red cross-breed yesterday laid its 100th egg since April 1. Goss says the bird has shown no indication of wanting to set as most hens do.

Another of its unusual characteristics: it crows as loudly as a rooster.

ABOLISH CONVENTION?  
Washington, July 27.—(AP)—Rep. Smathers (D-Fla.) proposed a constitutional amendment today to abolish national conventions and nominate presidential and vice presidential candidates in popular primaries.

## The Flag Is There to Stay

While the members of the 16th Constabulary Squadron hold field exercises in the Grunewald Forest near Berlin, the flag flies bravely in the wind above their camp. The U. S. has said it intends to remain in Berlin, and the maneuvers, within shooting distance of the Soviet sector, back up that determination. (Photo by NEA-Acme staff correspondent Jack Chitham.)

## Expect Thousands To See Unloading Of Big Circus

Pink lemonade, smell of freshly laid sawdust, raucous cries of the barkers and the inevitably brightly clad band with its stirring music will all be part of the old-time circus atmosphere when Cole Bros. circus hits town tomorrow morning.

The traditional yellow, red and gold-painted mile-long circus trains will arrive on the Wabash railroad about 7 a.m. tomorrow from Quincy, where the show is exhibiting today. Hundreds of true circus fans will congregate to watch scenes which have been conspicuously absent from this community in recent years. After the wagons loaded with circus paraphernalia and wild and domestic animals roll down the runs, the huge flame-proof "big-top" will be ballooning against the sky-line on the circus lot at East Walnut and North Clay.

Circus performances are scheduled at 2:15 and 8 p.m. with the gates opening one hour earlier to permit inspection of the huge menagerie. The star-studded Cole Bros. circus cast includes more than 350 stars and performers.

## Elma R. Whewell, Ralph Baird Wed At Winchester

Winchester—Marriage vows were exchanged by Miss Elma Ruth Whewell, daughter of Mr. and Mrs. Walter Whewell of Alsey, and Ralph Eugene Baird, son of Mr. and Mrs. Edward Baird of rural route four, Winchester, Sunday afternoon, July 25.

The Rev. F. V. Wright pastor of the First Baptist church, performed the single ring ceremony at his home at 2:30 p.m. Attending the couple were Mr. and Mrs. Dean Waltrip, brother-in-law and sister of the bridegroom.

The bride wore a dress of white tulle with black accessories and a corsage of red roses. Her attendant was attired in a print jersey dress with which she wore black accessories and a corsage of pink carnations.

Mrs. Baird is a graduate of News Community school and for the past year and a half has resided in Alsey. Her husband was graduated from Winchester high school with the class of 1945. At present he is employed by the Illinois Rural Electric company.

## Surprise Party Wednesday Honors Miss Benscoter

Murrayville — Miss Mary Jane Benscoter entertained a group of friends Wednesday at a surprise birthday party in honor of her mother, Mrs. M. J. Benscoter.

Bridge was played, and refreshments were served at the close of the evening.

Those present were Mr. and Mrs. H. R. Covey, of Jacksonville, Mr. and Mrs. Clyde Oxley of near Franklin, Mr. and Mrs. G. W. Hamilton, Mrs. Ethel Stringer, Bruce Bruce Campbell, and Mr. and Mrs. M. J. Benscoter and Mary Jane.

Supper guests at the home of Mr. and Mrs. Walter Helenthal Saturday evening were Mr. and Mrs. John Schaefer of St. Joseph, Mo. Mr. Schaefer is a nephew of Mr. Helenthal.

Mr. and Mrs. Robert Mutch entertained their son-in-law and daughter, Mr. and Mrs. Emory Grider, and sons of Barry at dinner Sunday.

## Chicken Dinners Costly In South

Suffolk, Va., July 27.—(AP)—The cost of living index, department of southern fried chicken, hit a new high here today.

Two men were fined a total of \$126.50 in trial justice court for the theft of a platter of fried chicken from a wayside restaurant.

## Berliners Get Cigaretts by Air

Although most of their food is flown into them, Berliners get other things from the Allies' aerial mercy mission. These men are unloading some of the 9,500,000 packs of American cigarettes which were flown in from Bremen by British flying boats landing on Wannsee Lake in the British sector. The deceased was the daughter of William F. Perkins and Della Bouchel Perkins and was born at Rockbridge, Ill., August 21st, 1899. Her death occurred at her home in Decatur, Friday, July 2, at one thirty p.m. at the age of 48 years, 11 months and two days.

She is survived by her husband, her father, William F. Perkins of Kane; three sisters, Mrs. Truman Hardwick, Mrs. Everett Warren of Jerseyville and Mrs. Lester Sprineman of Kane; four brothers, Wilbur Perkins of Kane; Erith Perkins of San Francisco, Calif.; Woodford Perkins of Alton and John Perkins of Armstrong, Ill.

## Thieves Take Ton Of Choice Meat

Philadelphia, July 27.—(AP)—Thieves with Grade "A" tastes visited Samuel Bonaccorso's slaughterhouse early today, passed up in expensive cuts of meat and left with a ton of only the highest grade beef and lamb.

And, Bonaccorso told police, they used his new delivery truck to haul away their loot.

The meat packer estimated the wholesale value of the stolen meat at \$1,325.

INDICTED BY GRAND JURY  
St. Louis, July 27.—(AP)—Grand jury today indicted Leonard M. Bayless, 21, for first degree murder in the fatal beating of a 41-year-old woman in a south side park last month.

The jurors heard 25 witnesses before returning the indictment. Bayless was arrested by police a few days after the body of Mrs. Gladys Hallenbeck was found.

MOVIE ACTOR SUSPENDED  
Hollywood, July 27.—(AP)—Actor Ray Milland was suspended today for refusing a starring role in the film "A Mask For Lucretia," Paramount studio announced.

Expressing surprise when notified of the suspension, the Academy Award winner maintained he never had refused to play the role, although he had objected to it.

## Macoupin Famer Is Found Dead In Cornfield

Greenfield — John Palmer Davis, 78-year-old resident of the Greenfield community, was found dead Tuesday morning in a cornfield near his farm home eight miles southeast of Greenfield, in Macoupin county.

Davis, who had resided in the town of Greenfield for the past three or four years, had returned to his farm home last Thursday, accompanied by Stanford Spees of Greenfield. On Monday Spees missed Davis when he awakened from a nap about midnight, and when he was unable to find him, arose early this morning to continue his search.

Spees found Davis' body about 6 a.m. at the edge of a cornfield. Dr. E. G. DeQuevedo, who was called on the case, said Davis had been dead nearly all night.

Coroner Russell Butler of Carlinville held an inquiry Tuesday evening, returning a verdict of coronary thrombosis.

Davis was born August 4, 1869, the son of William K. and Ellen Palmer Davis. He is survived by his wife, Mrs. Ella B. Davis, of Alton, and three children: Mrs. H. L. Hardin of Carlinville, Mrs. Marie Long of Chicago, and Jesse Davis of Alton. Two brothers, Rollin of Fayette and Frank of Carlinville, also survive, as well as four grandchildren and four great grandchildren.

The body was brought to the Shields funeral home in Greenfield, where it will remain until the time of the funeral services. Arrangements are incomplete.

Two girls from Morgan county, chosen on the basis of their activities in local 4-H work, are attending the 4-H Junior Leadership camp being held this week at East Bay. The camp, which is located on the shores of Lake Bloomington, opened Monday and will continue through Saturday.

Those attending from this county are Miss Betty Lou Hembrough and Miss Mina Schlieker. Miss Hembrough, the daughter of Mr. and Mrs. W. T. Hembrough of route five, is 18 years old and a sophomore at the Galesburg branch of University of Illinois. She has been engaged in 4-H work for the past seven years and represents the Asbury club.

Miss Schlieker, who is also 18, is the daughter of Mr. and Mrs. Russell Schlieker of route one, Chapin. A member of the Victory Girls 4-H club, she also has been engaged in club work for seven years. She will be a freshman in college this fall.

Activities and discussions at the camp will be based on a theme of leadership.

## Marvin Standley Finishes Course In Clerical Work

With the Eighth Army in Yokohama, Japan—Pfc. Marvin L. Standley, son of Mr. and Mrs. Marvin Standley of Concord, Ill., completed the clerical course at the Keio School system operated by the Keio School Command of the Eighth Army and was awarded a certificate of completion at the school on July 16.

Soldiers stationed in all parts of the Far East Command are taking courses at the Keio School Command in clerical work, radio and radar operation and maintenance and other Signal Corps subjects, cooking and baking, machine shop work, carpentry and other trade subjects under army instructors. The buildings which formerly housed one of Japan's largest universities are now thronged by hundreds of soldiers who study various subjects which will help their careers both in the army and in civilian life.

Pfc. Standley, who is a member of the Keio School command, has been stationed in Japan since June 10, 1948. He entered the army Sept. 3, 1947 and previously served at Fort Lawton, Wash.

## Coupe And Truck Collide Tuesday Near Alexander

A 1938 Chevrolet coupe and an International trailer truck collided at the junction of routes 36 and 123 near Alexander at 8:45 last night. No one was injured, although it was reported that the truck turned over on the car, which was smashed although still remaining on its wheels.

The accident occurred in the area of Wiggins station.

Robert Bailey was driving the truck, and Richard Henry the Chevrolet. The addresses of neither were reported, but the truck was a Missouri one engaged in interstate commerce. No report was made as to the disposition of the wrecked vehicles.

State Patrolman Arthur Batten investigated the accident, assisted by the sheriff's night cruiser force. Art Roach and Howard Means, the report came into the Morgan county radio transmitter and messages were sent out directing officers to the scene of the accident.

Although not confirmed, it is thought that both vehicles were traveling toward Springfield.

A total of \$763.84 in bonds was delivered in Morgan county during the six week drive period. Total for the state was \$169,000,000. The state average was 80% of quota.

## Strikes Threaten Italian Economy

Rome, July 27.—(AP)—New strikes threatened the Italian economy tonight as eleven-hour peacekeepers strove to avert the break-up of the Italian general confederation of labor.

Labor leaders representing moderate and Republican elements in the 7,000,000-member general confederation (CGIL) went before the new Catholic Workers' association and urged them not to quit the confederation because of the use of "political strikes" by the CGIL's Communist leaders.

## NEW MAIL SERVICE

Berlin, July 25.—(AP)—Outgoing international airmail service from the western sectors of Berlin was inaugurated today.

Direct service will be available to the United States, United Kingdom, Austria, Belgium, Czechoslovakia, Denmark, the Netherlands and Switzerland.

## Adlai Stevenson Attacks 'Swollen' Illinois Payroll

Salem, Ill., July 27.—(AP)—Democrat Adlai E. Stevenson today stepped up his attack on the "fantastically swollen" state payroll in his campaign to unseat Republican Governor Dwight Green.

"There are thousands of people on the state payroll who make no pretense of public service," Stevenson told a Democratic day audience at the 65th annual soldiers and sailors reunion here. "In many cases they don't even report for work."

The Democratic nominee for governor said he had tried unsuccessfully to find out how many persons were drawing state pay without making an adequate return in service.

"As governor I can get the facts," he asserted. "When I get them we are going to clean house..."

"And you are going to save a lot of money that can be used for roads, housing, schools, tax reduction and countless worthy purposes which are neglected in the present governor's billion dollar budget."

Stevenson urged civil service status for state mine inspectors, and promised to press for it if he is elected in November. He pledged enforcement "to the letter" of laws protecting the health, safety and lives of miners.

In prescribing for the state's ill generally, he said a "strong dose of electoral DDT" would effect a cure.

## Illinois Corn Is Doing Fine; Some Fields Nine Feet

Springfield, Ill., July 27.—(AP)—Illinois corn has been making good to excellent progress and some fields exceed nine feet in height, the weather bureau said today.

Most areas have at least a few fields seven to eight feet high, with reports of exceptional stands ranging up to 11 feet.

In its weekly crop bulletin, the bureau said shooting of ears was widespread.

Soybean progress and condition both were good to excellent.

The winter wheat harvest was described as "generally three-fourths to all" complete. Oats cutting was well advanced in some localities but was held back in others by rainy weather.

## Morgan County Is Third In Security Loan Drive Quota

Bond chairmen reported that Morgan county was one of the seven out of 102 Illinois counties which exceeded their quota in the recently completed Security Loan drive. This county ranked third in the state in percentage of quota attained, selling 104.3% of its quota and being exceeded by only Ford and DeKalb counties.

A total of \$763.84 in bonds was delivered in Morgan county during the six week drive period. Total for the state was \$169,000,000. The state average was 80% of quota.

This report was released Tuesday from the Illinois Savings Bond headquarters in Chicago.

## Greyhound Lines Increase Fares

Chicago, July 27.—(AP)—An increase of about 10 per cent in bus fares of the Illinois Greyhound Lines and the Pennsylvania Greyhound Lines, Inc., in Illinois, has been granted by the state commerce commission.

The order did not, however, affect fares of the Black Hawk Motor Transit company, recently acquired by Greyhound Lines.

The Greyhound petition said operating expense per bus mile have risen during the last two years from 27.07 cents to 34.14 cents.
